

TRUST CHAIN

WHACK - WAC

ELEVATOR PITCH

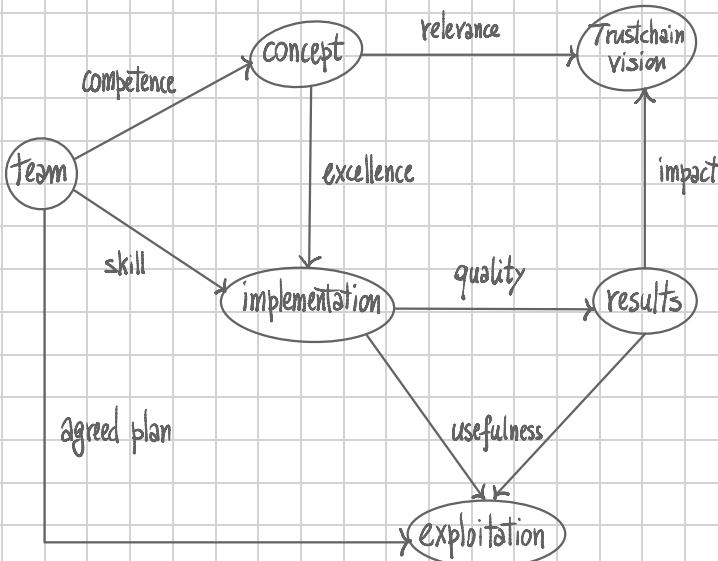

INTERVIEW INVITE

For information, the online interview aims to deeply understand the project concept and centrality to the TRUSTCHAIN vision, team skills & competencies, capacity and willingness to exploit the results under a commonly agreed plan.

The interview will be carried out by the evaluation board composed of the TRUSTCHAIN core referents.

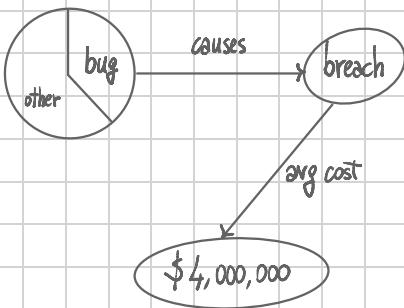

On the basis of 10 minutes pitching and 20 minutes of Q&As, the evaluation committee will clarify some aspects regarding the quality of your proposal in particular related to excellence, impact and implementation and its relevance for TRUSTCHAIN.
